### Associate Media Producer

2019 - 2021

Universal Creative | Beijing, China

Managed the total storage and organization of over 80 hours of live-action and SFX footage, as well as over 150 hours of music, dialogue and sound effects for the development of the new Universal Beijing Resort in China. Assisted in the filming and editing of several NBCU corporate videos as well as internal team projects.

#### Key Accomplishments:

- Developed a new organizational tool for archiving and tracking footage stored across RAID and cloud-based storage.
- Ensured that large files were able to be downloaded in Beijing quickly, despite harsh internet security and firewalls.
- Utilized SEO systems to help find files within our internal database.

### Entertainment Coordinator

2018 - 2019

Universal Studios Florida | Orlando, FL

- Managed over 200 performers across the park, handled scheduling, timecards, counselings, and reviews.
- Collaborated with other departments to ensure shows happened safely and on time.
- Ensured an atmosphere of open communications by tackling problems head on, spearheading team meetings at several venues, and informing cast and crew of any changes as they were happening.

### Camera Operator

2017 - 2018

Diacom Video Productions | Orlando, Florida

- Assisted a camera team during the Miss America Outstanding Teen Awards in Orlando.
- Collaborated with event staff, Miss America management, and contestants to help produce several pre-recorded spots.
- Operated a camera during the live events, taking cues from a Director over headset.
