PROFILE

Highly motivated and passionate individual seeking to leverage technical skills, creativity, and a strong work ethic to launch a successful career in film and script writing.

WORK EXPERIENCE

Student Liaison

F.I.R.S.T. Institute July 2023 - Present

- Responsible for the student engagement and culture.
- Coordinated logistics for guest speaker events, ensuring seamless execution, including managing schedules, travel arrangements, venue setup, and media coverage.
- Successfully initiated and cultivated relationships with prominent local talent, including renowned authors, artists, athletes, and business leaders, resulting in a 30% increase in guest speaker visits.
- Leading Faculty of FIRST Access Honor Society, providing exclusive Internship opportunities to both enrolled students and alumni.

Feature Film Production

Whispers of the North (2024)
Writer

In Production

- Collaborated with award-winning Mike Burns to develop and execute the pitch, treatment and scriptwriting of the feature.
- Revised script based on director feedback and attend meetings with director and producers to brainstorm ideas and identify opportunities to improve and expand on the script.
- Conducted research on background material of real life drug and familial abuse, ASL and Deaf culture to further enhance the subject matter

Short Film Production

48Hr Film Challenge

August 2022 - Current

- Executed creative vision on tight constraints.
- Utilized lighting design, sound design, and the latest technical equipment based on time constraints.
- Lead a team of 10 in producing award-winning short films for two years.

Teacher's Assistant

December 2022 - July 2023

F.I.R.S.T. Institute

- Provide support and oversight in the classroom alongside the primary instructor to help ensure safety and quality learning for all students.
- Assisted with lesson planning and implementation to support class readiness both on-campus and online Interactive Distance Learning.

Shipping and Receiving Manager

2600 Island Blvd Condominium Association

January 2016 - December 2021

- Responsible for the shipping and receiving of parcels and packages for the property.
- Organized inventory of all incoming packages for over 90 units.
- Vetted contractors entering and leaving the premises, ensuring their proper clearance from the residents as well as property management.
- Created the groundwork for future employees in this position by creating a new work manual, approved by property management.
- Maintained new standards and efficiency during high-stress and high-volume periods.
