

Kevin Malcolm, Production Sound Mixer

407-408-0542 76productionsllc@gmail.com. 2932 Monarch ave Deltona, FL 32738

Profile

I have been in the film and production industry since 2005 where I started my professional career at Adrenaline Films in Orlando, FL after graduating from Full Sail University. After sixteen great years at Adrenaline as a sound mixer and production coordinator, I made the jump to become a freelance sound mixer. It has been a great adventure and I am looking forward to working with more amazing people with the same passion for film and television production that I have.

SOUND MIXER, ADRENALINE FILMS – 2005-2021

I mixed several projects for Adrenaline Films as an on staff employee that ranged from reality television, corporate interviews to commercials

FREELANCE SOUND MIXER, 2021-PRESENT

Went freelance to start my own company as a production sound mixer where I purchased my own audio package.

Show Credit Examples

House Hunters, Basketball Wives Orlando, Flip My Florida Yard, Court TV Casey Anthony Trial, Top Gear America, For the Love of Honey, and several corporate clients such as Microsoft, Major League Gaming, and Keller Williams Real Estate to name a few.

Education

Full Sail University. Graduated December 2004

Skills

On location sound mixer using a combination of LAV and boom mic techniques to get clear quality sound for my clients. Skilled with Sound Devices production mixers and recorders as well as Lectrosonics wireless systems.
