Objective

Motivated and humble Film & Television student at Savannah College of Art & Design, Class of 2026, enrolled in the GRADPath program. Expected to graduate Spring 2026 with an MA in Creative Business Leadership and a BFA in Film & Television, I am eager to leverage my hands-on production and technical experience into challenging creative roles within the industry.

Education

Savannah College of Art and Design (SCAD) – Savannah, GA
GRADPath Program, expected MA, Class of 2026

Professional Experience

Shop Operations Intern

PRG, Secaucus, NJ | Summer 2024

- Worked directly with industry-grade lighting, distribution, and rigging materials.
- Focused on repairing LED fixtures and lighting consoles (ETC, GrandMA, Leprechaun, Hog, etc.).

Production Assistant

Gonzo Girl, Catch and Release Films (Patricia Arquette, Director) | Summer 2023

- Assisted with daily production tasks on set, ensuring a smooth workflow throughout filming.

Production Assistant

IMCD Lighting – Doritos Liquor Launch | Summer 2023

- Supported production operations, contributing to the setup and execution of the shoot.
-

SCAD Project Experience

Gaffer, SCAD Performing Arts Showcase | Winter/Spring 2025

Teaching Assistant, Film Cinematography | Fall 2024

- Assisted with classroom instruction and practical sessions for film cinematography students.
-

Skills

- Lighting & Rigging: Hands-on experience with industry-grade lighting equipment and repair, comfortable with heights, OSHA Scissor Lift Certified.
- Camera & Cinematography: Proficient in camera operation, steadicam, directing photography, analog and digital systems.
- Technical Proficiency: Skilled with ETC systems, GrandMA, Arri equipment, and various lighting consoles
- Creative Storytelling: Ability to conceptualize and execute visual narratives across multiple film formats
