JohnCraig Clothier | Current by John Craig

Winter Park, FL

Sales & Digital Media Specialist

May 2024 - Sep 2024

- Increased tailored garment sales by accurately taking measurements for suits and coordinating with alteration specialists.
- Grew social media engagement by capturing high-quality images with mirrorless cameras and editing content to showcase products.
- Enhanced customer satisfaction by providing detailed product insights and resolving clothing-related issues.

NG Production Films

Altamonte Springs, FL

Intern

Aug 2023 - Dec 2023

- Represented a key role in the execution of video projects, including involvement in location scouting, talent casting, and equipment setup for shoots using Canon cinema cameras. Proficiently operated cameras, lighting equipment, and sound equipment throughout various stages of video production.
- Collaborated closely with the production team to ensure alignment between scenes and shots with the established storyboard.
- Applied video editing using Adobe Premiere Pro to assemble footage seamlessly, incorporating graphics, music, and sound effects for a polished final product. Supported and managed a volume LED wall during, enhancing production quality and contributing to dynamic visual storytelling in a professional environment.

Freelance Production Assistant

Jan 2024 - Present

- Acted as a key on-set crew member for corporate, commercial, and music video shoots, independently managing grip and lighting equipment to ensure efficient production flow. Served as a versatile production asset, seamlessly coordinating logistics between departments, assisting with client hospitality, and proactively resolving on-set challenges to prevent delays.

Commercial & Fashion Model

Central Florida

Model & Actor

Aug 2021 - Present

- Worked as a commercial and fashion model on print, runway, and commercial projects.
- Signed with Marshall Talent and Professionally Pretty, participating in agency-booked assignments.
- Maintained professionalism and punctuality on set, runway, and during fittings and rehearsals.
- Took direction effectively and adapted quickly to different roles, styles, and environments.
