Summary

Motivated and dependable Audio Visual Technician with over 3 years of hands-on experience in corporate AV environments, including roles such as A2, L2, V2, stagehand, and breakout room operator. Skilled in live event setups, cable management, signal flow troubleshooting, and client coordination. Currently working part-time at a recording studio and pursuing a Film degree beginning May 2025. Seeking opportunities to leverage my AV background and technical skills into a transition toward the film and video production industry, especially in sound, lighting, or camera departments

Certifications – Audio Technician Associate’s Degree from Orange Technical College, Logic Pro Certification

Freelance AV Technician

2022-Present

Clients include: AV Guys | MAC Production Group Inc. | Crew Call | Pearson Technologies | Breakout Event Services | Full Show Productions

- **Troubleshoot** AV connectivity issues and signal flow problems before and during live events
- **Provide** general stagehand support for load-ins, show runs, and load-outs across corporate, theatrical, and concert events.
- **Handle** cable runs, mic placement, camera setup/strike, and backstage coordination under tight timelines while following safety protocols.
- **Collaborate** with technical directors and production teams to meet event needs and adjust to last-minute changes on-site.

Recording Assistant

Castledoor Studios | 2022 – Present

- **Assisted** with audio sessions, including mic setup, cable routing, DAW operation, and basic mix preparation
- **Supported** artists and engineers in a fast-paced studio setting
